VR MAJESTIC

CLASSIC DESIGN MEETS FUTURISTIC SECURITY.

The finest, world-class safes, promising ultimate security. Whether you are a watch collector, jewellery lover or rare artifact owner, you will appreciate the painstaking attention to detail and outstanding craftsmanship that goes into constructing these safes.

A solid 12mm thick door, specialized compartments encased in premium micro-suede and reinforced steel are not the only highlights of this luxurious series.

Protection at your Fingertips

Advanced biometric technology ensures that your safe can only be unlocked by your unique fingerprint, and no one else's.

Memorised
25 Fingerprints

Over 10 Unique Lock Combinations

Choose how you want to access your safe. Unlock uniquely with any or all of the combinations- Smart-Finger, Code or Key.

Smart Security Pin System
4-10 Digits

Custom-Made Square Bolt

Much more advanced than the traditional cylinder bolt, the square bolt's force surface is greater- effectively improving tamper resistance.
