

The Peerage Safes  
**VR IMPERIAL**

**CLASSIC DESIGN THAT STANDS THE TEST OF TIME.**

Look no further for the finest world-class safes with ultimate security. Whether your passion is for watches, jewellery, art or historical treasures, you'll appreciate the painstaking details and outstanding craftsmanship that goes into the VR Imperial safe.

Luxuriously styled with a solid 12mm thick door, with specialised compartments encased in premium leather and reinforced steel body, the VR Imperial is the safe that triumphs over all.

**Spoked Handwheel with Electronic Locking Systems**

A signature of the VR Imperial, the spoked handwheel of the safe is disabled until the electronic locking systems are engaged, making the safe virtually impossible to crack open.

**Time Never Stops with Dual-direction Setting Watch Winder**

Keep your watches perfectly wound around the clock with custom watch winders that can be set to any specifications.

**Specially Designed Jewellery Drawer**

Specially constructed drawers to keep jewellery safe and displayed in the most striking way.

- 5 Watch Compartments
- 10 Ring Rolls (12cm)
- 8 Ring Rolls (5cm)
- 32 Storage Jewellery Compartments
- 6 Bracelet Compartments

**Hydraulically Sealed Hidden Compartment**

Just when you thought a safe couldn't get any safer. Conceal your most secret valuables inside a secret compartment that opens and closes hydraulically.

**Custom-made Square Bolts**

The wider surface force provides a greater degree of protection than conventional cylinder bolts.

**Cyclone Bolt Design**

6-unique bolts-cyclone and 5-square thread locks secures the safe, preventing it from all forms of force, strike, and pry attacks.

**Advanced Biometric Security**

Advanced biometric technology ensures that your safe can only be unlocked by your unique fingerprint.

Memorised  
**25 Fingerprints**

**Over 10 Unique Lock Combinations**

Personalise your safe with a unique combination of Smart, Fingerprint, Code or Key to open.

Smart Security Pin System  
**4-10 Digits**
