簡·完美

The Valorforce V12 series is as much a reflection of you as what you put inside. Created to celebrate the 12th Year of Anniversary of the Valorforce brand, it's our crowning achievement and a testament to the quality people trust to protect the things they value most, now and for generations to come.

## ONE-TOUCH CONVENIENCE

The **V12** incorporates a fast biometric sensor able to memorise up to 99 unique fingerprints and unlock the safe in under 0.5 seconds.

## IMPREGNABLE EXTERIORS

Clad in multiple layers of ultra-hard armor with a contemporary stainless steel finish, the **V12** looks simply sophisticated while being strong enough to resist damage.

## 3 BOLTS FOR TRIPLE STRENGTH

The security of a safe is measured by the number of locking bolts. With three bolts, the **V12** offers the highest degree of protection for its size.

## ELEGANT INTERIORS

With its numerous compartments and interior illumination, the **V12** can store and display your most valuable belongings in the most elegant way.
